

Imagine a place where kids don't just hear God's word, but participate in it. Where morning and night, they are surrounded by the testimony of creation. Where, without competing distractions, they have time to contemplate the meaning of what they see, hear, feel, and do. Where, in one week, they can more than double the number of hours spent with ministry leaders during the entire rest of the year.

Imagine a place where committed followers of Christ disciple others. Where, through daily interaction with different ages and personalities, they begin to understand their strengths and gifts. Where, living in Christian community, they serve and are served. Where, in the quiet of field and forest, they discover their life's calling.

Imagine a place where harried travelers of this world are refreshed and renewed. Where, no matter their status, they are welcomed and treated as honored guests. Where, amid chaos and clamor, they can retreat into solitude and sanctity. Where, freed from their typical routine, they can find rest in safe, inviting, and well-cared for spaces.

For so many, Camp Challenge IS that place. We continue to see evidence of not only growth, but also impact. In 2016:

- Enrollment rose again (**17% growth since 2013**).
- The number of campers served with no home church more than tripled since 2013.
- **88 campers made a first time decision to follow Jesus.**
- 97% of campers said their relationship with God improved because of camp.
- 62 campers were awarded scholarships, a dramatic increase from the 3 awarded in 2013.
- **Volunteer participation has grown 57%** since 2014.

Imagine what more we could do with additional resources: serving even greater numbers, with even higher-quality programming, through even more excellently-equipped staff, in even better-cared for facilities! Partner with us in realizing even bigger impact by donating in one of several ways:

- Give a one-time gift
- Become a monthly Fire Circle partner
- Donate appreciated stock or other securities
- Make a planned gift

Your gift does make a difference. Join us in developing followers of and leaders for Jesus Christ!

Brian Klein
Executive Director

If you would've told me a week ago that I was going to be pushed as much as I was both physically and spiritually, I probably wouldn't have believed you...camp far surpassed my expectations and I'm sosososo grateful for the opportunity to have experienced it with so many amazing people. My faith has definitely grown and I can't wait to go back next year!!
